## Health Matters

### H1N1 Flu

Also called: Swine flu

Swine flu is an infection caused by a virus. It's named for a virus that pigs can get. People do not normally get swine flu, but human infections can and do happen. The virus is contagious and can spread from human to human. Symptoms of swine flu in people are similar to the symptoms of regular human flu and include fever, cough, sore throat, body aches, headache, chills and fatigue.

There are antiviral medicines you can take to prevent or treat swine flu. There is a vaccine available to protect against swine flu. You can help prevent the spread of germs that cause respiratory illnesses like influenza by

- Covering your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Washing your hands often with soap and water, especially after you cough or sneeze. You can also use alcohol-based hand cleaners.
- Avoiding touching your eyes, nose or mouth. Germs spread this way.
- Trying to avoid close contact with sick people.
- Staying home from work or school if you are sick. \*

## October's Special Guest

### The Stoughton Youth Commission

If you missed October's meeting then you missed a great presentation from Dawn Fontaine of the Stoughton Youth Commission. She talked about all the cool programs that are happening to keep Stoughton's youth busy and therefore leaving no time to get into mischief. The Youth Commission sponsors afternoon programs right here at the OMS gym every early Thursday! If your child would like to attend, you need to fill out a permission slip which you can get from Ms. Brookshire or at the Youth Commission's website. The youth commission has also started something called "Friday Knights": a safe place for kids in grades 6 through 8 to go once a month on Friday nights. Permission slips are mandatory and can be found on their website. The first of these "knights" was a Halloween party on October 30. If this was successful they will try to do something similar for the high school as well. Volunteers are required! Look for the Youth Commission's weekly article in the Stoughton Journal, "OASIS On the Move". Dawn also informed us that the SYC is looking for a parent volunteer for the Parent Advisory Board. The meetings will be held monthly at the Starbuck's at Target in Stoughton. Contact Dawn Fontaine if you're interested.

Find out about these and other programs on their website:

The Stoughton Youth Commission is moving to the Council on Aging located on Rockland Street. Their phone number is 781-341-2252.
